

Dear [Manager's Name],

I would like to attend VUE 2022, November 15-16. The event provides software instruction and education led by knowledgeable staff, breakout sessions and discussions with peer panels and subject matter experts, and networking opportunities within the GIS and Asset Management communities. This year's hybrid platform offers two ways to attend: Virtual remote attendance or In-Person attendance, hosted at the DoubleTree by Hilton at Sea World Orlando, FL (group rate available). Registration fees are based on the chosen VUE:

- **Virtual VUE (\$99)**
 - General sessions and exclusive virtual breakouts (11/15-11/16)
- **In-Person VUE (\$299)**
 - General sessions and in-person breakouts (11/15-11/16)
 - Includes some meals
- **In-Person PLUS (\$499)**
 - General sessions/breakouts/meals (11/15-11/16)
 - In-Person Training event on 11/17

VUE 2022 is focused on connecting and collaborating to make informed data-based decisions. With the ever-expanding importance of infrastructure asset management, this conference will serve as an opportunity for me to not only learn what new features and enhancements VUEWorks has to offer, but also the best practices of implementing and maintaining these systems. The training event will focus on the new workflow features, form design and work management tips.

I will be able to share with our agency, post-event, information pertaining to tracking and managing our assets in our effort to efficiently budget for projects, analyze risk factors and apply reporting capabilities.

This year's conference will include:

- Presentations from fellow VUEWorks users and administrators from across the country, providing in-depth experience of the system and unique approaches and configurations.
- Breakout sessions and panel discussions with VUEWorks users, staff and subject matter experts.
- First-hand look at new features and enhancements with management and senior developers.

A full program agenda for the 2022 VUEWorks User Experience Conference will be available soon on the [event site](#).

I look forward to discussing this opportunity with you.

Sincerely,

[Your Name]
