

Dear [Manager's Name],

I would like to attend VUE 2023, November 27-30. This event provides software instruction and education led by knowledgeable staff, breakout sessions and discussions with peer panels and subject matter experts, and networking opportunities within the GIS and Asset Management communities. VUE 2023 in-person sessions will be held at the Rosen Centre Hotel in Orlando, FL (group rate available). Select sessions will be recorded to allow a limited virtual broadcast December 13, 2023. Registration fees are based on attendance level and session access:

- **In-Person General Sessions + Training (\$499)**
 - Monday Networking Mixer on November 27
 - Includes breakfast/lunch November 28-30
 - General sessions and in-person breakouts November 28-29
 - In-Person Training event on November 30
 - BI-Dashboard training for Administrators
- **In-Person General Sessions (\$399)**
 - Monday Networking Mixer on November 27
 - Includes breakfast/lunch November 28-29
 - General Sessions and in-person breakouts November 28-29

-
- **Virtual Post-event Sessions (\$99)**
 - Select post-event recorded General Sessions
 - Staff-facilitated discussion groups
 - December 13, 2023

Microsoft Teams

VUE 2023 will focus on leveraging VUEWorks for strategic planning. With more federal funding and emphasis put on the importance of infrastructure asset management, this conference will serve as an opportunity for me to not only learn what new features and enhancements VUEWorks has to offer, but also the best practices of implementing and maintaining these systems. November 30th Training will cover the new BI-Dashboards and advanced asset management for VUEWorks Administrators. *Program agenda and registration will be available in July.*

I will be able to share with our agency, post-event, information pertaining to tracking and managing our assets in our effort to efficiently budget for projects, analyze risk factors and apply reporting capabilities.

This year's conference will include:

- Peer presentations from fellow VUEWorks users and administrators.
- Breakout sessions and panel discussions with VUEWorks users, staff and subject matter experts.
- First-hand look at new features and enhancements with management and senior developers.

I look forward to discussing this opportunity with you.

Sincerely,

[Your Name]
